

MARIST
COLLEGE

School of Computer Science & Math

FACULTY POSITION

The Marist College Department of CS/IS/IT (School of Computer Science and Mathematics) has an opening for a full-time faculty member beginning September 2005. Primary responsibility is the coordination and teaching of a junior-level Management Information Systems course that is required of all Business majors, although teaching assignments can include other courses in the IS/IT curriculum.

An earned PhD (or PhD to be awarded prior to September 2005) is required for appointment at the Assistant Professor level (tenure track). Individuals with a Masters degree and significant industry experience will be considered for a Professional Lecturer position (non tenure track).

Marist College is strongly committed to the principle of diversity. We are especially interested in receiving applications from members of ethnic minorities, women, disabled individuals and other under-represented groups.

Review of applications will begin immediately and continue until the position is filled. Please submit a current vita, letter of interest, and contact information for at least three professional references to: Search Committee Chair, School of Computer Science and Math, MPO-905, Marist College, 3399 North Road, Poughkeepsie, NY 12601.
