Senior Appointment Dean of Faculty of Business

City University of Hong Kong (CityU) is proud to announce the appointment of **Professor (Chair) Wei Kwok-kee** (BSc *Nan.*, PhD *York*, FAIS, SMIEEE), currently Head of the Department of Information Systems, as Dean of Faculty of Business, effective 16 July 2007.

Professor Wei is a distinguished scholar with considerable experience in academic administration. He is an excellent researcher with an international reputation. Prior to joining CityU in 2002, he was Professor and Founding Head of the Department of Information Systems at the National University of Singapore. He is one of the three Association for Information Systems (AIS) Fellows in Asia. He is currently serving on the editorial boards of various international journals, and has served as Senior Editor of *Management Information Systems Quarterly* and President of AIS.

As Dean of Faculty of Business, Professor Wei will contribute his academic leadership and professional insights to developing world-class academic and research excellence and actively build links with local and international institutions.

CityU comprises three Faculties (Business, Humanities and Social Sciences, and Science and Engineering) and two Schools (Creative Media and Law). It has delivered quality education to Hong Kong, Mainland and overseas students since 1984.
