

PENNSTATE

Berks

Penn State Berks invites applicants for a tenure-track position at the Assistant Professor level in the area of Information Sciences and Technology. The successful candidate will teach courses in the areas of Information Security, Risk Analysis, and Security and Risk Management, and teaching interest in these subject areas is preferred. The candidate is expected to establish an active research program with a strong record of scholarly activity. Participation in research with undergraduates is also encouraged. The candidate is also expected to advise students and provide career guidance, as well as participate actively in campus, university, and community service activities. Penn State Berks is an undergraduate campus college of the Penn State University and is located in Reading, PA.

Applicants must have a Ph.D. in Information Sciences, Information Systems, Computer Science, or closely related field with a focus on Information Security and Risk Management. Commitment to high-quality instruction in a student-centered environment is desired.

The review process will begin on August 1st, 2011 and continue until the position is filled. Applicants should e-mail application materials as ONE document, which should include the following items: 1) a cover letter, 2) a curriculum vitae, 3) statement of their research interests, 4) statement of their teaching philosophy, and 5) three references with telephone numbers and e-mail addresses to: Claudia Plato at **BK-AcadAffairs@psu.edu**

INQUIRIES: Dr. Abdullah Konak, Search Committee Chair, at **auk3@psu.edu**

Penn State is committed to affirmative action, equal opportunity and the diversity of its workforce.
